5. Each item checked above must be explained below in full detail together with, where appropriate, specific reference to and identity of the item in the registration statement to which it pertains. If more space is needed, full size insert sheets may be used.

In Registrant's supplemental statement of June 4, 1970, in response to question number 8, Registrant reported that its connection with Confederation Internationale des Fabricants de Tapis et de Tissus d'Ameublement had terminated. We instead represented one member of the Confederation, the Federation of British Carpet Manufacturers, on the same matter. In July, 1970, the Confederation decided to continue to be represented by the Registrant and therefore has been reinstated as a foreign principal of the Registrant.

Exhibit B relating to the Confederation Internationale des Fabricants de Tapis et de Tissus d'Ameublement is amended to reflect the following changes in the terms of the agreement between the Registrant and the foreign principal: the duration of the relationship is indefinite; the Registrant's fee for such representation is to be determined periodically, based on the usual criteria for legal fees plus out-of-pocket expenses.
